

Jesus' Life in Art

Many churches have artwork in the worship space that shows stories about Jesus during his life on Earth. Look around your worship space. How many pictures of Jesus' life can you find? Sketch some of them in these spaces.

Lent 2

- Today is the 2nd Sunday in **Lent**.
- During Lent we remember that **Jesus suffered**.
- In our **church family**, we can **support** people who are suffering.

During Lent, we can pay more attention to the ways people may be suffering. In each space write something you can do for other people during Lent.
