## Pastor Daren: Baby Goats and the Kingdom of God

*When the Son of Man comes in his glory, and all the angels with him, then he will sit on the throne of his glory. All the nations will be gathered before him, and he will separate people one from another as a shepherd separates the sheep from the goats, and he will put the sheep at his right hand and the goats at the left.*

Matthew 25:31-33

Every time I see a goat, I think of the scripture above—and I think to myself, what does God have against goats? It's not just here in Matthew, but elsewhere in scripture when the sins of Israel are put upon a goat (Leviticus 16:7-10), which is sent out into the wilderness, hence, our term, "scape-goat." We never hear about a "scape-sheep." That would just be wrong to our ears. So why the bad rap for goats? Maybe, it's because of their propensity to eat anything, or that they are more mischievous, climbing over any obstacle to get that extra bit of green something. Maybe it's because of their pointy horns or more aggressive nature.

A couple of weeks ago, I witnessed some of God's cutest creations: baby goats. It was at the Luther Glen Youth Camp and Retreat Center up near Yucaipa. I was up there with Kitty and three of our confirmants. The camp staff had timed it so that these fuzzy creatures of God would be born during confirmation camp week. So, over the week, we were able to go to the barn after the birth of several baby goats, and heard reports throughout the week: "two more," and "three more goats were born today."

As we went to visit the baby goats, I had the privilege of holding some of them. They wriggled, and snuggled, and wagged their little baby-goat tails, making high-pitched "baaaas" as they talked to us, and their mothers carefully watched us. As our confirmants picked up the goats or stood appreciatively close by and petted them—I observed that for all the games, programs, and bonding exercises of the camp, these baby-goats had more of an effect on these young men, some of whom were away from home by themselves for the first time. Those baby goats worked their adorable magic and won us all over that week.

So, I think there is a place for goats in God's Kingdom. There is a place for those who find themselves feeling goat-like at times, perhaps feeling on the outside, or just wondering if they have the same place with God that they used to enjoy. God seems, in Jesus, to make a place for people just as they are—choosing to see us as we were created, Children of God—or at our best, baby-goats...

God bless you!

Pastor Daren

Summer is flying by and preparations for fall have begun.

First, **thank you** for indulging Cheri and me with our handbell duet of "Yankee Doodle" last month. After months of practice (which included lots of laughter), it was fun to play it for you. Also, a big thank you to Gretchen and Natalia for sharing their vocal duet. We are blessed to have people who want to share their musical talents during the summer. It's not too late, if you'd like to do just that, let me know.

**Ladies**, it's your turn to sing this month. **Please join us on Wednesday, August 14 at 7:00** for a one-time rehearsal. We will then sing during the services on **Sunday, August 18**. Our time together is always filled with fun and fellowship. No experience necessary. Feel free to bring a friend.

Music schedule announcements... **Choir rehearsals will begin on Wednesday, August 28 at 6:45-7:15**. Everyone is welcome! All that is needed is a heart for Jesus and a willingness to sing. **Handbell rehearsals will begin on Monday, September 9 at 6:30**. If you are interested in participating, please contact me to find out the guidelines and rehearsal schedules. It's a fun way to try something new.

As this month comes to a close, I look forward to getting back into our weekly music routine, and welcoming our choir, handbells, Worship Band, and World Music groups back to worship services. Each group enhances our worship experiences in their own unique way, and we are blessed to have them.

In His Service,  
Carol

## **The 2019 Biennial Conference of the Association of Lutheran Church Musicians in Portland, Oregon (June 24-27).**

Henry Doktorski

After attending the ALCM's Biennial Conference in Minneapolis, Minnesota, two years ago, I decided that it would practically be a sin for me to miss the Portland conference. Those House of Prayer members who see my Facebook posts, photos and videos, were able to share a little of the inspiration I garnered from attending this conference. The ALCM sponsored scores of workshops (too many to attend all) but I cherry-picked the workshops and events which were of most interest to me as an organist. I attended:

Readings in new organ literature, hosted by Wayne Wold  
Music expressions in today's Lutheran worship, by Eduardo Charbonnier  
Leading the Church's song from the organ, by Tom Mueller  
Post-Modernism for Church musicians, by Don Neville.

I also attended gala worship liturgies such as the

Opening Eucharist at St. Michael's Lutheran Church  
Evensong at Trinity Episcopal Cathedral  
Morning Prayer at St. Michael's  
Closing Eucharist at St. Michael's

We went on several field trips on busses, such as at Zion Lutheran Church, St. Mary's Roman Catholic Cathedral, and Temple Beth Israel. We attended a concert by The Ensemble Oregon, a superb 8-voice choir directed by Patrick McDonough, and wine tastings at Sokol Blosser and Stoller Vineyards Wineries.

I heard some really great music and attended some inspiring liturgies. Thanks so much to House of Prayer Lutheran Church for sending me on such a lovely and educational vacation! (I also came back with a cold and sore throat, so you better keep your distance from me for a while!)

**AGO 2019 Regional Convention  
Orange County (June 30-July 3)**

**Henry Doktorski**

The last week of June and first week of July were musically and logically busy times for me, as I had recently returned home from Portland, Oregon on Friday, June 28, where I had attended the Association for Lutheran Church Musicians Biennial Convention. Two days later I had planned to drive to Orange County for the AGO West Region Convention on Sunday afternoon after services at House of Prayer Lutheran in Escondido. However, I hadn't reckoned on catching a bug in Portland (along with many, many other attendees—ALCM officers called it "The Plague!") and I had to call in sick Sunday morning, the first time that I recall ever doing that.

However, by Monday morning, I began to feel improvement, so I took a chance and drove to Orange County, checked into my hotel room, and attended as many events as I could without wearing myself down from fatigue.

I was extremely grateful to hear:

- a carillon recital by Steven Ball at Christ Roman Catholic Cathedral, formerly known as the Crystal Cathedral (Garden Grove)
- a recital by Ethan Haman on the Christ Cathedral Arboretum Organ
- a recital by Cherry Rhodes, James Walker, and Weicheng Zhao at Covenant Presbyterian Church (Long Beach)
- a concert by the de Angeles Vocal Ensemble and Mass at Mission San Juan Capistrano Basilica Church
- a tour of the historic Mission San Juan Capistrano
- a recital by the winner of the AGO/Quimby West Region Competition for Young Organists at Concordia University Center for the Performing Arts (Irvine)
- a concert for choir and orchestra at Trinity United Presbyterian Church (Santa Ana)
- a recital by Carole Terry on the historic 1858 organ at Los Altos United Methodist Church
- a recital by Jaebon Hwang at St. John's Lutheran Church of Orange
- a recital by Paul Jacobs at the Renee and Henry Segerstrom Concert Hall (Costa Mesa)

I heard some great music played by great organists on great organs. Thanks so much to House of Prayer Lutheran Church for sending me on such a lovely and educational vacation! To see photos and videos, go to <https://www.facebook.com/agopalomar/>.

The 2018 R. M. Ballantyne 150-rank five-manual and pedal organ played by Jaebon Hwang at St. John's Lutheran Church in Orange was particularly impressive. The console is sunk into the floor. During her recital, I could only see the top of Jaebon Hwang's head; but the sound was glorious. The program book describes this as a 150-rank instrument, but I heard that only half the ranks are actual pipes, the others are digital.

The 2008 C. B. Fisk, Inc. 73-rank four-manual and pedal organ played by Paul Jacobs at the Renee and Henry Segerstrom Concert Hall in Costa Mesa may have been even more impressive. The organist and console look tiny in comparison to the 32-foot-long façade pipes. During the recital, the large video screen directly below the console allowed us to watch Paul Jacob more closely from six different camera angles.

## COUNCIL - JULY, 2019

The next Church Council meeting is Sept 22nd at 11:45 immediately following the second service. During this month's council meeting we discussed the status of the audio upgrades in the Sanctuary and the status of the roofing repair and solar installation on the Sunday School building. The roofing repair was completed within budget on time. The solar installation, which was to begin on Aug 3rd, started July 30<sup>th</sup> and may well have been completed before you read this, also within budget. The next step will be a system test by Cosmic Solar. Assuming the test goes well, Cosmic Solar will petition SDG&E to give us the green light and hook us into their grid, then we're off and running. The variable part of our existing electric bill should all but go away and our solar cost-payback period should be about 8 years. That said our system is warranted for 25 years.

The audio system upgrade is scheduled, as of this writing, to commence Friday, August 2<sup>nd</sup>, with the larger scale installation the next day. Subsequent final touches will occur after that. Many thanks to Pastor Daren, Tom Wiebe and Adam Wiebe. Our self-help approach is saving us thousands of dollars. We need designated gifts to fund the video upgrades (big screen TVs), estimated to be about \$15,000. This will finish our A/V system upgrade plan for the Sanctuary.

The second item of discussion was nominations for council positions. The Vice President and two at large council members are up for re-election in October for term starts Jan 1st, 2020. Please give a council position due consideration and feel free to contact Mike Kendall, (VP), Dan Engelbrecht (at large) and/or Adam Wiebe (at large) if you would like to serve. These positions are two-year terms. We voted to use this process vice appointing a formal nominating committee during the May 2019 council meeting.

The council considered two bids for an Automatic External Defibrillator (AED). Jeff Gross did the analysis and we selected the best option for an AED in the fellowship Hall. We are using a company and an individual that we've been associated with in the past. It looks like the AED in the Sanctuary may need replacement in the next two years. The council will assess the need at that time given that most of our time is spent in the Fellowship Hall. Many thanks to Jeff.

Mike Kendall is reviewing the composition of our Endowment Committee to ensure that we're in compliance with constitutional requirements, while making sure that we have an appropriate system of checks and balances in place. We are looking at reducing the current requirement for an Endowment Committee that requires five positions. We do not have the volunteers to re-elect five different positions in alternating years as required now.

We are constantly analyzing our revenues and expenses to look for efficiencies. I don't believe that any of us like having to use the Mission Endowment Fund every year to buffer the fact that the revenues do not cover expenses. We need to increase operating account offerings and we need designated gifts to the building fund to continue the execution of our Long-Range Five-Year Plan.

We continue to move forward in taking care of God's house.

Peace, love, strength and grace.

Mike Erno, Council President

Every year I look forward to summer, it allows me opportunities to spend more time with the younger and older members of our congregation. I love planning, working and being a part of the summer events. I enjoy Vacation Bible school, camps, gatherings and trips. These events just bring people together and it is a blessing to see the connections being made. The two big things that happened this summer were our Vacation Bible school and Confirmation Camp.

Vacation Bible School was held on June 26 and 27. The theme was “Make a Joyful Noise, Making Music with God”. There had a good turn out and Lots of Fun! We made instruments, played them, played games. Thank you to everyone. I hope you got to see the pictures.

Our Confirmation camp theme this year was “Heroes of Faith”. Each day during our bible study time we discussed characteristic of a hero. First, what makes a hero? Then, Hero of Belief, Courage, Forgiveness, Love. This year Pastor and I had three boys join us at camp. Sergio, Collin and Gabriel had a great time. It was exciting to see them in a different setting and interacting with new people. The Pastors and youth leaders have opportunities to meet, exchange ideas and plan activities. Everyone comes home excited and looking forward to the next year.

For the month of August, we will still be on our summer schedule. There will be a game day on the 2<sup>nd</sup> Sunday of the month, Aug. 11. We will have some outdoor games and activities. Everyone is welcome. Then on Aug. 25, Movie day. We will start the movie after 2<sup>nd</sup> service and it will end at 1:45. The movie is “Spider-man: into the Spider-verse.” All are Welcome.

While at Confirmation Camp, Pastor and I did our yearly planning. I’m very excited about this coming year. We will be continuing our Triple-G (Godly Gathering and Growing} on the 2<sup>nd</sup> Sunday of the month. We will start again on Sept. 8 right after 2<sup>nd</sup> service and end at 1. This program is for all school age students and their families. Invite your friends and family. If you would like more information, contact me.

Pastor and I also had some ideas about other programs. They are still in the planning stages but, I will be reach out to some of you for help. Please consider helping me with our Education programs and with our young adults. Thank you!

For me, August is always a hard month. Summer break is just not long enough. For most August means the start of another school year. The kids are excited to see what the next year will bring but, also worried about the changes in a new school year. Please pray for everyone as they start their new school year. Pray for them to feel comfortable with their new classrooms, new teachers, with their friends and in all their activities though out the day. Pray for the teachers and school staff members. Pray that the schools and their communities will be a place of support and encouragement.

Blessings and Peace to you as we start our new fall season,
